

## PUBLIKATIONEN

---

**Witte S** and Janicek JC. What's your diagnosis? Medial sagittal patella fracture. 2005. *J Am Vet Med Assoc*. 227:381-2

**Witte S** and Rodgerson DH. What's your diagnosis? Osteomyelitis of the accessory carpal bone. 2005. *J Am Vet Med Assoc* 227:551-2

**Witte S**, Thorpe PE, Hunt RJ, Spirito MA and Rodgerson DH. A lag-screw technique for bridging of the medial aspect of the distal tibial physis in horses. 2004. *J Am Vet Med Assoc* 225:1581-1583

**Witte S**, Alexander K, Bucellato M, Sofaly C, Fife W and Hinchcliff KW. Congenital atlantoaxial luxation associated with malformation of dens axis in a Quarterhorse foal. 2005. *Equine Veterinary Education* 7:227-231

**Witte S**, Rodgerson DH, Hunt RJ, Spirito MA and POE Mueller. Extraluminal uterine adhesions in peripartum mares. 2006. *Compendium for Continuing Education* 1(1):36-46

**Witte S**, Peroni JF. Lameness originating from coccygeal trauma. 2007. *Compendium for Continuing Education*: 2(5):250-258

**Witte S**, Rodgerson DH, Hunt RJ and Spirito MA. Traumatic ventral herniation in foals. 2008. *Compendium for Continuing Education*: 3(3):

Ortved KF, **Witte S**, Fleming K, Nash J, Woolums AR, Peroni JF. Laparoscopic-assisted splenectomy in a horse with splenomegaly. 2008 *Equine Veterinary Education* 7:357-361

**Witte S**, Fractures and Luxations in *Blackwell's 5-minute veterinary consult: Ruminant*, Ed. Haskell S, Blackwell 2008 pp368-371

**Witte S**, Abayomi KO, Lewis A, DVM, Eggleston R, Halper J, Kietzmann M, Baeumer W, Mueller POE. Application of exogenous esterified hyaluronan to equine distal limb wounds. 2009 *Journal of Equine Veterinary Science*, 29(4):197-205

**Witte S**, Hunt R. A review of Angular Limb deformities. 2009 *Equine Veterinary Education*, 21(7):378-387

**Witte S**. Application of Exogenous Esterified Hyaluronic acid to Equine Distal Limb Wounds. *Dissertation: Hannover School of Veterinary Medicine, July 2009*

**Witte S**, Witte T, Pollock P, Harriss F, Kelly G. Correlation of owner-reported noise with findings during dynamic respiratory endoscopy in 100 Thoroughbred racehorses. 2011 *Equine Veterinary Journal*, 43(1):9-17

Patipa L, Sherlock C, **Witte S**, Pirie G, Berghaus R, Peroni J. A retrospective study examining the risk factors for colic in horses hospitalized for ocular disease. 2012 *Journal of the American Veterinary Medical Association*, June 2012, 240 (12):1488-1493

**Witte S**, Kosarek CE, Howerth E. Collision tumor in the paranasal sinus of an aged miniature donkey. 2012 *Equine Veterinary Education*, 27(4):163-171

Janicek JC, McClure SR, Lescun TB, **Witte S**, Schultz L, Whittal CR, Whitfield C. Evaluation of risk factors associated with cast complications in horses: 398 cases (1997 to 2006), 2013 *Journal of the American Veterinary Medical Association*, 242(1):93-98

Koch C, **Witte S**. Clinical Commentary – Septic osteitis and osteomyelitis in foals – Are antibiotics alone enough? 2013, *Equine Veterinary Education*, 25(2):67-73

**Witte S**. Clinical Commentary - Maxillectomy and mandibulectomy in the horse: Indications and the necessity of post operative adjunct therapy. 2014 *Equine Veterinary Education*, 26(5):274-279

Unger L, Fouche N, Schnider D, **Witte S**. Case Report – Peritonitis, abscessation and hemorrhage; complications of transcutaneous caecal decompression. 2014 *Equine Veterinary Education*, 26(8):430-435

**Witte S**, Hewitt-Dedman C, Kelly G, Harriss F, Witte T. A comparison of treatments for superficial digital flexor tendonitis in national hunt racehorses. 2016, *Veterinary Journal*, 216:157-163

Glaus M, **S Witte**, Herholz C. Preliminary field study on saddle pressure distribution in horses without back pain. 2015 *Pferdeheilkunde* 31(2):145-152

Heim C, Pfau T, Gerber V, Nussbaumer P, Schweizer C, Doherr M, Schüpbach G, **Witte S**. Determination of vertebral range of motion using inertial measurement units in 27 Franches-Montagnes stallions. 2016 *Equine Veterinary Journal*, 48(4):509-516

Märki N, **S. Witte**, S. Kuchen, S. Reichenbach, A. Ramseyer, V. Gerber, C. Spadavecchia. Safety of intra-articular gold microimplants in horses – a randomized blinded, controlled experimental study. 2018, *Journal of Equine Veterinary Science*, 60:59-66

**Witte S**, M de Preux, C Schweizer, D Burger, A Ramseyer, M Lauper, T Pfau, G Schüpbach. The value of objective gait analysis at the precompetition trot-up. 2014 *Equine Veterinary Journal*, submitted
